The masonic hatred against Christians, the Kalergi Plan and the New World Order

Offering EU nationals political asylum, having the premeditated intention of torturing us, is the most perverse, incoherent and criminal policy that any European government could implement, in violation of all basic legal and moral rules and hospitality traditions of the Western world. A country like Belgium, that used to be an exemplary Catholic country, has become a brothel of anti-Christian hate due to the subversive infiltration in its power institutions of the minions of a satanic sect called Masonry. The same applies to most (all?) European regimes and the EU institutions.

By Gustavo Calandra

Brussels, October 2017 - First of all let me clarify that I am not blaming in any way the nice Belgian people of anything of the previous or of the following, since I know as a matter of fact that they are the first victims of the catastrophic situation their country is going through, being currently ruled by corrupt and pusillanimous politicians, traitors and sworn enemies of them and of the complete Greco-Roman-Christian civilization. All this masonic agents, whether aware or not, are collaborating with a planned genocide against the peoples of Europe, as prerequisite to the final implementation of a worldwide dictatorship: The New World Order.

After suffering xenophobic discrimination, human right violations, torture, attempted murder and political persecution in Germany, under Merkel's masonic awarded regime and its “structural and institutional racism” (UN report, Feb. 2017)\(^1\), precisely for denouncing the structural racism of the German regime six months before the United Nations even mentioned it, I crossed the border of Belgium to request political asylum. As an EU national I am entitled to do so according to the Belgian law, as stated in the official website of CGRS: “Citizens of an EU member state may apply for asylum in Belgium”\(^2\). As an asylum seeker I am then entitled to reception according to the Belgian Asylum Law, as stated in the Fedasil official website: “In Belgium, asylum seekers are not entitled to financial assistance but to reception during the entire period that their application is being examined”\(^3\). There is not a single article in any Belgian law, that could allow the Belgian regime to discriminate against Europeans, but on the contrary, there are several treaties and laws that specifically forbade this xenophobic practice, as for example the EU Charter of Fundamental Rights, that in its article 21.2 establishes that: “Within the scope of application of the Treaty... any discrimination on grounds of nationality shall be prohibited”\(^4\).

Although discrimination is illegal in Europe, the normal practice of the Belgian regime is to disregard the law (do the opposite of what the Parliament and the King have legislated) and discriminate against EU nationals that request political asylum, forcing us deliberately and premeditatedly to survive in the streets like wild animals; with cold, with hunger, with fear, with insecurity, with sickness, exposed to the elements and to all the social scum that swarm the streets of Brussels (drug addicts, alcoholics, delinquents, perverts, terrorists, etc.).

while we are supposed to be under the Belgian regime “protection”. It seems to be a paradox that European governments like the Belgian one, that are so meticulous and strict when it comes to grant up to the last coma of the rights of anyone coming from Africa, Asia or Middle East, show a complete disregard of basic Human Rights, of the law, of all the treaties and act with hatred, when it comes to Europeans. In order to understand why this strange Europhobic paradox coming from the rulers of Europe, we must first understand what is Masonry, the organization that has in its pocket and moves like puppets most of this hateful high rank public officials of the European regimes and of the EU institutions, that informed of very serious violations and crimes against Europeans, stand by and never do nothing about them. Why is this happening in Europe? You will understand it by the end of this article.

The true nature of Masonry

Contrary to the fairy tales Masonry tells about itself, presenting the image of a non-political, non-religious, philanthropic organization that works in favor of Freedom, Equality and Fraternity, the reality is far more obscure and that is precisely why the sect operates from the shadows, as a “discrete” (secret) organization, who’s highest bosses hide from the public light, concealing also the objectives of the sect, both from the public (the “profane”) and ALSO from its own members (the “brothers”), who are gradually informed (or not) by dropper of the “secrets” as they ascend (or not) in the hierarchy of the organization. Meanwhile, every single member of Masonry, whether informed or deliberately kept in the shadows by his higher “brothers”, is used by the sect and obliged to honor obedience oaths, pressured to use (abuse) their private or public positions and influence (politicians, journalists, judges, prosecutors, police officers, intellectuals, businessmen, etc.) in favor of the agenda of the sect, most of the time not even knowing the final goals of that agenda. This situation clearly undermines the basic principles of the democratic and republican system, that Masonry promotes, because the sect can easily manipulate and control. After preaching on the virtues and benefits of a system based on the sovereignty of the people, the sect systematically usurp the people such sovereignty, imposing a covert tyranny through their infiltrated minions in the power structures. While this happens in the shadows, the misinformed peoples are lead to believe that whatever is decided by the “representatives” must be obeyed by everyone (or else punished), with the false pretext that all that Masonic ruling has emanated from “the will of the majority”.

The Masonic sect is a much older organization than they proclaim to be. The true origin goes far beyond in time and far away from Europe than they normally say. Between the times of Moses and the times of Jesus Christ, the elites of the people of Israel had completely perverted and replaced God’s doctrine with the oral tradition. Jesus denounced this perversion when he protested to them: “And why do you break the command of God for the sake of your tradition?” (Matthew 15:3). The doctrine of that tradition was a satanic one, reason why Jesus also said to them: “You belong to your father, the devil, and you want to carry out his desires” (John 8:43). A few years after the crucifixion of Jesus Christ, the same people Jesus signaled as sons of the devil, created an organization called the “Mysterious Force” who’s mission was to persecute and murder the Christians. It was in this time that Saint Paul wrote to the Thessalonians: “For you suffered the same things from your own countrymen as they did from the Jews, who killed both the Lord Jesus and the prophets, and drive us out, and displeased God and oppose all mankind” (1 Thessalonians 2:14-15).

Many years later occurred the dispersion of the Israelites. From the original twelve tribes of Israel, ten disappeared from history as an identifiable human group, mixed among other peoples. The remaining Israelites, mainly from the tribe of Judah (the Jews), embraced completely the oral tradition of the elders and created the religion that we know today as “Judaism”. About this wrote the investigative journalist and writer Michael A. Hoffman II: “The weird cult of ‘Judeo-Christianity’, is an oxymoron found on the lips of many Christians including even conservative ones... The Church Fathers knew of no ‘Judeo-Christian’ tradition, since Judaism did not exist before Christ. Before Him, there was the faith of the Israelites as it gradually decayed and was subverted by
corrupt teachings such as were transmitted by the Pharisees and Sadducees. This corruption was greatly escalated when a portion of the Israelites rejected the Messiah, Yashua (Joshua, i.e. Jesus), after which their leaders eventually made their way to Babylon, where the corrupt and reprobate, oral occult tradition of the elders was committed to writing and compiled as the Mishnah, comprising the first portion of the Talmud. At that juncture, the religion of Judaism was born. It is the Talmud, not the Bible, which is the hermeneutic system of orthodox Judaism”.

About 800 years after Jesus, far away from Judea, the king of the Khazars (semi-nomadic Turkish people) converted to this new post-biblical religion of “Judaism”. Behind him, as it also happened in other kingdoms, his subjects converted in mass to the same religion as their king. At some point in history this Turks, that had embraced the post-biblical satanic cult and had no blood links to the people of Israel, decided to deceive mankind and proclaimed themselves to be “the Israelites”, “God’s chosen people”. With this farce, they were able to fool (up to this very day) many people, specially ignorant Christians that became unconditional helpers and defenders of the “Jews” (their Zionist ideology and their “return” to the “promised land”. Who promised anything to the Khazars?), believing that by doing so they were collaborating with God. But genetics don’t lie: “90% of the Jews of the world don’t come from Biblical Israel, but from Caucasus lands... the geneticist from Johns Hopkins University (USA), and from Jewish origin, Eran Elhaik, has carried out an investigation whose provocative results dismantle various myths... Elhaik made five different analyzes and they all took him to the Judeo-Khazar origin of most of the 13 million Jews of the world.”6 This situation was announced by Saint John in The Bible, where he warned us about a group of blasphemous satanists falsely posing as Jews: “I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan” (Revelation 2:9).

One of the basis of the doctrine contained in the oral tradition of the elders, embraced later by the Khazars, is that God created the "Jews" as a master race to rule the whole world, and that the rest of humanity was created as slaves to serve them. Saint Paul knew about this doctrines and that is why he said in the quoted letter to the Thessalonians, that Jews “oppose all mankind”. Fortunately, you don’t need to believe anything I write, not even believe in Saint Paul or The Bible, because some prominent “Jews” are openly bragging about it, as Rabbi Ovadia Yosef did: “Goyim were born only to serve us. Without that, they have no place in the world – only to serve the People of Israel... Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat... That is why gentiles were created”.7 It could happen that someone at this point may be thinking that Rabbi Ovadia Yosef could have been some sort of extremist lunatic, who’s racist teachings are surely rejected and condemned by the majority of the “Jews” (fair enough, stultorum infinitus est numeros). So who was Rabbi Ovadia Yosef? During his life he had the outstanding religious positions of Great Rabbi of Tel Aviv first, and later became the Great Sephardi Rabbi of Israel. When he died in 2013 the Israeli press informed about it in the following way: “More than 850,000 people flooded the streets of Jerusalem on Monday to participate in the funeral of Rabbi Ovadia Yosef, considered the most influential religious leader in Israel, who died at age 93”.

Another Rabbi that I would like to quote is Menachem Mendel Schneerson. But let’s first see who he was: His birthday was designated in 1978 as national Education Day U.S.A. by U.S. President Carter (by request of the U.S. Congress in Joint Resolution9). Presented by the “Jewish” press as: “The Most Influential Rabbi in Modern History: One of the modern era’s most important rabbis - for Christians and Jews alike”10. Let’s see now what this very prominent Rabbi used to teach to the “Jews” about the difference between Jews and non-Jews: “The

7 Berman, L. (2013, 9th October). 5 of Ovadia Yosef’s most controversial quotations. The Times of Israel (Israel).
difference between a Jewish and a non-Jewish person... [is that] the body of a Jewish person is of a **totally different quality** from the body of all nations of the world... The Jewish [Mr. Mendel quotes another rabbi] ‘looks as if it were in substance similar to bodies of non-Jews’, but the meaning... is that the bodies only seem to be similar in material substance, outward look and superficial quality. The difference of the inner quality, however, is **so great** that the bodies should be considered as **completely different species**”.  

Now that we have seen what “Judaism” really is and who are the self-proclaimed “Jews”, let’s see what Dr. Isaac M. Wise, considered the founder of the American Jewry and a Mason himself, wrote in an editorial about the masonic sect: “**Masonry is a Jewish institution** whose history, degrees, charges, passwords, and explanations are Jewish from the beginning to the end, with the exception of only one by-degree and a few words in the obligations”.  

Considering this, it is absurd to believe, as many do, that a group of European constructors of Freemasonry is none other than the old Mysterious Force with steroids, that had kept intact throughout history its satanic doctrines and hatred to Christ and Christendom. The latter was confirmed by Pope Leon XIII in his Encyclical Humanum Genus (1884), where he describes the struggle between the forces of good and evil, presenting Masonry as the coordinating force of evil: “…the partisans of evil seems to be combining together, and to be struggling with united vehemence, **led on or assisted by that strongly organized and widespread association called the Freemasons**. No longer making any secret of their purposes, they are now boldly rising up against God Himself. They are planning the destruction of holy Church publicly and openly, and this with the set purpose of utterly despoiling the nations of Christendom, if it were possible, of the blessings obtained for us through Jesus Christ our Saviour”.  

About this subject also spoke a well-informed occultist and repented mason called M.J. Doinel, former member of the Great Orient of France: “Masons lament the domination of the Jews in the lodges, in the Great Orient, in all the ‘points of the triangle’, in all nations, throughout the Earth. Its tyranny imposes itself on the public and financial terrain. Since the French Revolution they have invaded the lodges and now the invasion is total. Just as Freemasonry is a State within the State, so the Jews form a Masonry within Freemasonry. The Jewish spirit reigns in the ‘workshops’ with the metaphysics of Lucifer, and guides the Masonic action, totally directed against the Catholic Church, against its visible head, the Pope, and against its invisible leader, Jesus Christ; repeating the deicidal cry ‘Crucify him!’ The Synagogue in the thought of Satan has a preponderant, immense part. Satan counts on the Jews to govern the Masonry as it counts on the Masonry to destroy the Church”.

On the way the self-proclaimed “Jews” manage to control the complete masonic organization, wrote the Estonian journalist Jüri Lina: “The Special Archives in Moscow contain documents which show B’nai B’rith (Sons of the Covenant) as superior to all other branches of freemasonry, that it in fact constitutes a kind of freemasonry within freemasonry”.  

Coinciding with Lina, the French writer and journalist Roger Lambelin wrote: “this intimate connection between the two powers (Masonry and Kabbalistic Judaism) is becoming so obvious that there is no longer any attempt to deny it. The Jewish lodge B’nai B’rith, which originated in English-speaking countries, has been scattered throughout Europe and even in Asia; and that she assumes the leadership in the control of the entire Masonic organization”.  

The fact that the B’nai B’rith is the only lodge in the organization of the “equality” that is allowed to practice the inequality, admitting only “Jews” among its members, proves by itself the special status of this lodge over the rest of the masonic organization, that don’t even dare to signal or criticize the racist exclusion of non-Jews. The obvious reason for this exclusion, is because the B’nai B’rith doesn’t want “gentiles” hearing their plans and objectives. In its edition of February 1936, the London Catholic Gazette published an amazing article titled “The Jewish Peril and the Catholic Church”. This

official organ of the Catholic Missionary Society of England had obtained the transcribed speeches of a Jewish meeting held shortly before in Paris. Some weeks later the French weekly Le Reveil du Peuple published a similar account, adding in their article that the quoted speeches were from a reunion of the B’nai B’rith. Here is a short resume of the content published by the London Catholic Gazette:

We have spread the spirit of revolt and false liberalism among the nations of the Gentiles so as to persuade them away from their faith and even to make them ashamed of professing the precepts of their Religion and obeying the Commandments of their Church. We have brought many of them to boast of being atheists, and more than that, to glory in being descendants of the ape! We have given them new theories, impossible of realization, such as Communism, Anarchism, and Socialism [*], which are now serving our purpose... The stupid Gentiles have accepted them with the greatest enthusiasm, without realizing that those theories are ours, and that they constitute our most powerful instrument against themselves... the Gentiles, in their stupidity, have proved easier dupes than we expected them to be. One would expect more intelligence and more practical common sense, but they are no better than a herd of sheep. Let them graze in our fields till they become fat enough to be worthy of being immolated to our future King of the World...

One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our Universal King of Israel; and should never know that we are commanding them to forge the chains of their own servility to our future King of the world.17

[*] This was confirmed by Rabbi Harry Waton in his book: “It is not an accident that Judaism gave birth to Marxism, and it is not an accident that the Jews readily took up Marxism; all this was in perfect accord with the progress of Judaism and the Jews”.18 About this “progress” also wrote a “Jewish” journalist called Sever Plocker in an Israeli newspaper; an information that would never be published in the “free” Western world: “Genrikh Yagoda, the greatest Jewish murderer of the 20th Century, the GPU’s deputy commander and the founder and commander of the NKVD. Yagoda diligently implemented Stalin’s collectivization orders and is responsible for the deaths of at least 10 million people. His Jewish deputies established and managed the Gulag system...”. Knowing all this, it’s not difficult to understand why while the Marxist ideology brainwashes the goyim with the idea that “Religion is the opium of the people” (Karl Marx, who’s real “Jewish” name was Kissel Mordekay), the communist leaders celebrate Hanukkah, as Cuban Sephardi dictator Raul Castro does.19

Israel as the capital of a global “Jewish” government

It was not by odd that from this racist doctrines and mentality arose Zionism, the political reflection of the racist-satanic doctrines behind the creation of the State of Israel. A political ideology that was condemned by the United Nations General Assembly in its Resolution 3379 (revoked by masonic minions years later): “…most

severely condemned Zionism as a threat to world peace and security and called upon all countries to oppose this racist and imperialist ideology. Determines that Zionism is a form of racism and racial discrimination.

The symbol chosen by the Zionists and then officially implemented by the State of Israel, the hexagram normally referred to as Star of David, has nothing to do with King David and has nothing to do with the real historical Israelites. According to Prof. Gershom Scholem, one of the founders of the Hebrew University of Jerusalem: “the Star of David was not an ancient Jewish symbol but rather a magical emblem that was only adopted by Jews in the 19th century”. And according to the Dictionary of beliefs, religions, sects and occultism, the hexagram “also known as the Star of David... is used in numerous occult contexts, such as mysticism, magic, Satanism and witchcraft... powerful symbol that is able to take advantage and control the powers of the demons”.

The purpose of creating the State of Israel in Palestine was revealed by Dr. Nahum Goldmann, President of the World Jewish Congress, during a conference in Montreal in 1947: “the Jews might have had Uganda, Madagascar and other places for the establishment of a Jewish fatherland, but they want absolutely nothing except Palestine; not because of the Biblical or religious significance of Palestine... but because Palestine is the crossroads of Europe, Asia and Africa: because Palestine constitutes the veritable center of world political power, the strategic military center for world control”. Coinciding with this idea of “world control”, the Israeli organization preparing the reconstruction of the Third Temple, published the following in their Spring 2000 bulletin: “The real ‘United Nations Organization’ will be the Kingdom of G-d which will soon be established in Jerusalem... Mashiach ben David will come and will be the king of Israel and the world. He will come to Jerusalem and rule from there and establish the Kingdom of G-d over all the world. Jerusalem instead of New York will be the center of the this godly ‘United Nations Organization’...”.

The Kalergi Plan: the genocide of white Christians as prerequisite of world domination

The Spanish digital newspaper Alerta Digital dared some years ago to publish information about the Kalergi Plan: “Count Coudenhove-Kalergi was the author of a European federal project which... is understood as ‘the conspiracy that threatens the subsistence of the peoples of Europe’. As early as 1923, and before his Freemason brothers, this individual proclaimed that Europe would be dominated by a ‘aristocratic Jewish race’. To this end, Europeans had to be ‘crossed’ with blacks and Asians as if they were animals. From this ‘crossing’, Coudenhove-Kalergi expected the attainment of a lower human class (sic) easily governable and without character”. This press chronicle was due to the publishing of the book Goodbye Europe by Austrian author Gerd Honsikel, adding the chronicle that: “since the beginning of the 20th century everything was planned from the shadows to insert in the ‘Old continent’ democracy, social and economic liberalism, the crossing of blood to weaken the original European people and make it weaker, less spiritual and less conscious about its future destruction; in contrast to a new ‘race of aristocrats’ of the chosen people who would be the new masters of Europe and the world”. Crazy conspiracy theory against a group of people who’s religious leaders brag about them being a superior specie created to rule over an enslaved humanity? Let’s analyze objectively before taking any conclusions, what other sources and data is available out there in relation to this matters.

About this idea of world government spoke the prominent Zionist “Jewish” banker called David Rockefeller, confessing by the way his antidemocratic convictions: “The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national self-determination practiced of the last centuries”.25 Russian journalist Daniel Estulin quotes Mr. Rockefeller in another occasion saying: “The current window of opportunity for an independent and truly peaceful world order to be built, will not be open for long. We are on the verge of a global transformation. All we NEED (sic) is a great crisis and the nations will accept the New World Order”.26 In the same book, Estulin also quotes the prominent Zionist “Jew” Henry Kissinger, speaking during a Bilderberg Group meeting and giving some clues about how to create that “great crisis” they need: “Today's Americans would be outraged if UN troops entered Los Angeles to restore order, but there is no doubt that the very next day those same people would thank us! And even more so if they were told that there was an external threat somewhere, real or invented, that endangers the existence of all. People would then beg the intervention of world leaders to rid them of such a threat. Every human being fears the unknown. If we present to them this scenario, they will be more than willing to grant us their individual rights so that a World Government guarantees their well-being”.

Barbara Spectre (married with a Rabbi), another self-proclaimed “Jewess” born in the United Stated. She felt so identified with the Zionist racist and mono-cultural Jewish State, that she went there to make the aliyah (“return”). After that, she emigrates to Sweden to head an organization called Paideia (European Institute for Jewish Studies in Sweden), created and financed by the masonic-socialist Swedish government (with money of the Swedish people). And what is the mission of that “Swedish” institution, that had placed an American-Israeli Zionist as director? Mrs. Spectre explains it during an interview to the Israeli television: “I think there is a resurgence of antisemitism because, at this point in time, Europe has not yet learned how to be multicultural. And I think we'll be part of the thrills of that transformation, which must take place. Europe will not be that monolithic societies they once were in the last centuries. Jews are going to be at the center of that. It's a huge transformation for Europe to make, they are now going into a multicultural mode, and Jews will be resented because of our leading role”.27

Nicolas Sarkozy, the “Jewish” former President of France and a fervent Zionist, that when it comes to Israel as the racist, mono-cultural, exclusive Jewish State it is, he declares: “I support Israel from a long time ago, as you know, it's the fight of my life”.28 But when it comes to France (and Europe), his opinion is that: “The goal is to meet the challenge of miscegenation. The challenge of racial miscegenation before us in the 21st century. It is not an option, it is an obligation, it is imperative, we can not do otherwise”.29

For its part, one of Germany’s Marxist leaders called Gregor Gysi (another self-proclaimed “Jew”), made a propaganda video inviting people to join a protest called “Live better without Nazis - diversity is our future”; a campaign to accelerate and increase the massive immigration of Africans and Asians to Europe, in which he said: “...we are obliged to treat refugees properly. We also have to save their lives in the Mediterranean. There has to be a legal unbureaucratic way to get asylum in Europe. Countries like Poland, very Catholic by the way, have to be willing to accept more refugees. Oh, and by the way: Every year more native Germans die than they are born. That is very fortunate. It's because the Nazis [meaning Germans in general, the same goyim that pay Mr. Gysi’s privileged salary] are not very good at having offspring”.30 The first time I heard Gysi saying this, it reminded me immediately of what another “Jew” called Theodore Kaufman, personal friend and advisor of USA

President Roosevelt, published in his book titled *Germany Must Perish!* In it, Kaufman presented an elaborated plan to completely exterminate the German population through a program of massive forced sterilization, calculating the author that in just two generations the German people would be history.

BBC reports: “EU should ‘undermine national homogeneity’ says UN migration chief”. Peter Sutherland (another “Jew”) that occupied the position of UN Special Representative for International Migration: “told the committee: ‘The United States, or Australia and New Zealand, are migrant societies and therefore they accommodate more readily those from other backgrounds than we do ourselves, who still nurse a sense of our homogeneity and difference from others... And that’s precisely what the European Union, in my view, should be doing its best to undermine’.

And while all this is happening in Europe, the Israeli press is gloating over the destruction of the old white and Christian countries, like for instance Haaretz: “…there’s no way to block the migration of Chinese, Pakistanis or Arabs to Europe. They will continue to arrive there for the foreseeable future... It’s true, Europe won’t be what it once was, but that’s a good thing... the more migrants from Africa and Asia who arrive, the better off Europe will be. Sooner or later, their children and grandchildren will marry into veteran European families and change the demographics of their countries. Europe will be different... In North America, and particularly in Canada, the relevant term is ‘multiculturalism’”. It would be fair to ask, if “multiculturalism” is such a great thing for everyone, why are Masons (Marxists & Liberals) and their Zionist bosses ONLY imposing it in white Christian countries and not in the rest of the world? Why aren’t Barbara Spectre, Nicolas Sarkozy, Gregor Gysi and Peter Sutherland also promoting this fantastic multiculturalism, racial miscegenation, massive refugee reception and homogeneity undermining in Israel? Is it super good for Europe but not for their beloved Israel?

The General Assembly of the United Nations defined in its resolution 260 (III), Article II, the crime of genocide in following way: “...genocide means any of the following acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group, as such... Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part”. And since this convention also established in its Article III that: “The following acts shall be punishable: a. Genocide; b. Conspiracy to commit genocide; c. Direct and public incitement to commit genocide; d. Attempt to commit genocide; e. Complicity in genocide”, I am sending a copy of this article to the following public officials of the International Criminal Court and to the following judges of the EU Court of Human Rights, so that they may take immediate action to stop the genocide and to punish the perpetrators:
